2017-2018 School Year Tuition Rates

We are thrilled to offer a three- and four-day program for the 2017-2018 school year. Our school day is five hours long, beginning at 9am and continuing until 2pm. Students will be engaged in a balance of physically and cognitively stimulating and calming activities as well as free-play and structured play both inside and outside, providing a uniquely progressive, French-Immersion, play-based educational experience. Our mornings will be filled with art, music, movement, creative expression, a healthy snack, games and stories. Kids will sit down to lunch together (lunches brought from home) with the teachers, solidifying our sense of community. A rest period after lunch will allow students to relax and recharge before engaging in more transitional afternoon activities prior to dismissal at 2pm.

Our program is located in sunny classroom at 400 W 9th St. between Olive and Grand in Downtown LA.
